Terms & Conditions of Purchase **Please read carefully before signing below**

All permit holders, of all types, are prohibited from parking longer than 72 hours in the same parking space; 1st offense to result in a warning; 2nd offense will be loss of permit

- There are no full or partial refunds on permit purchases.
- There is a $10.00 re-issuance fee for lost, damaged, or stolen permit, for the first replacement and full price thereafter.
- To prevent being charged a replacement fee, affix your parking permit immediately, to the inside upper right-hand corner of the passenger side door window.
- Permits are not interchangeable between vehicles.
- Please pay attention to where you park, as permits are only good for their designated areas. A ticket will be issued if the vehicle is parked outside of the permitted area, for not obeying posted time limits or neglecting to pay the hourly rate.
- If the vehicle is stolen or has a change in ownership, (i.e., lease and/or new vehicle), you must provide us with documentation so we can void the old permit and reissue a new one.
- If the vehicle is scheduled for repairs, please provide us with the rental registration/paperwork so we can issue a temporary permit at no charge.
